

F45C

HEAVY DUTY STAPLERS

Fasco heavy duty staplers drive the widest range of fasteners into hard wood with consistent performance. Only 15 and 16 gauge staplers up to 55 mm available in the market.

Great versatility.

|----------------|-----|-------------|
| Height | mm | 316 |
| Width | mm | 90 |
| Length | mm | 395 |
| Weight | kg. | 2,5 |
| Mag. Capacity: | | 160 staples |

FEATURES AND BENEFITS

- Rubber cushioned grip: reduction of vibrations and fatigue;
- Limited recoil and accurate balance;
- Tool-less jam clearing mechanism: provides easy access to nose if staple jams;
- Guide opening bar for easy loading;
- Multi-directional cover (no need of keys);
- Depth control dial by rotating a wheel: precise countersinking;
- Single Shot / Contact Trip device (patented) for added safety
- Good balance and solid design.

APPLICATIONS

- Plywood sheathing
- Decking materials
- Furniture frames
- Sub-flooring
- Window and door units
- Interior of houses (tub platforms, shower seats, fireplace surrounds, arches, etc.)
- Boxes
- Crates
- Cable reels
- Light pallets
